THE ROAR

Roars from Boss Lion Robert Floyd

"HAPPY NEW YEAR DYNAMIC DOWNTOWN LIONS"

Thank you, each and every one of you for an awesome "December to Remember"!! You all have come together once again in service to others. Please know that I truly appreciate all your time and efforts. When we focus our talents under the motto "We Serve" there is no end to what we can accomplish.

Looking forward to 2018 it is commonplace to make New Year's Resolutions. In a recent online poll it was learned that most people do make New Year's Resolutions. A little over one third of the people polled want to eat better, exercise more, and spend less money. Not far behind those wishes were to get more rest and to generally take better care of oneself. Personally, I have made plenty of declarations for the new year in the past that I failed at miserably and others that I have stuck with. As Lions, we are no different. I would like to encourage you as you make plans for 2018 that you would consider serving more. May we continue to serve and spread the Lion's cheer as we did in the month of December. My prayer for each of you individually and as a club is that you are Blessed with good health and prosperity in 2018. "Happy New Year *Dynamic* Downtown Lions!"

Until My Next Roar,
 Boss Lion Robert
