Roars from Boss Lion Roy Landry

Downtown Lions:

Our club has just finished one of its best years ever under Past President Lion Keith Perrine and his board. At the Installation Banquet Lion Keith was presented the Lion of The Year Award for the Downtown Lions Club. Keith also received a brick in his honor at the Lions Camp from our club and was honored with a Melvin Jones Fellow for his dedicated humanitarian services. Thanks Lion Keith!!!

Our club also presented Lion Russell DeVore with a Melvin Jones Fellow Award for his leadership with our Claybird Shoot which took the place of the work we did at the Rodeo for many years. This project makes our club much

more money and the work is a lot less and more enjoyable. Thanks to You Lion Russ!!

The past President and Board set the bar high for the next year. But knowing the Lions of the Dynamic Downtown Lions we are ready for the task. Helen Keller said: Alone we do so little, but together there is nothing we can't do. With each of you Lions help there is no limit what we can do in 2016/2017. I am thanking you Lions in advance for your dedicated work this next year.

I thank each of you for the confidence you placed in me to lead our club. Let us work hard to serve others and have a lot of fun in the process.

Until My Next Roar,

PDG Roy Landry, President

Lion Bob Porter told one of his "mostly true" stories to the club at our meeting on June 2. Lion Bob talked about his time in the service and being stationed in Alaska. He talked about the isolation of the base and some of the activities and business projects to pass the time and make a little money at the same time.

Boss Lion Keith Perrine presents and congratulates Lion David Vessell at our June 2 meeting upon receiving a special recognition pin for recruiting a new member to the club this year.

PDG Al Owen introduced Joe Tarver (right) and Mike Skeen at our June 9th meeting. Mr. Tarver and his family have been in the bicycle business for decades. Their newest invention is the rock and roll cycles which can be powered either by the feet or hands. There are several different models available and PDG Al demonstrated one of them at the meeting.
