Roars from Boss Lion Roy Landry

Downtown Lions:

WOW this year has come to a close. I want to thank each one of you for the work you did as Lions. I would ask that you put your support behind Lion David and the board and make the coming year even more successful.

We were successful the past year in doing Christmas Baskets, Christmas at the Family Shelter and serving lunch at the Lions Camp. These projects our Lions were involved in did make lives better for those we served. We also gave money to the Girls Home, Veterans and the Family Shelter. These gifts helped each organization to operate and make life much better for those they serve.

Our Clay Bird Shoot and Golf Tournament made about \$25,000.00 so that we could make our projects possible. So each of you can feel good about what the Downtown Lions did for our community to make it better.

The Downtown Lions played a big part in the Balloon Fest sponsored by the San Angelo Charities. I want to personally thank Lion Keith and Lion Kim for leading our club and the Charities in making this event a success, these two Lions really made the Balloon Fest happen.

Well, again I thank each member of our club for making the past year a Great One.

Roy
