THE ROAR

Roars from Boss Lion Robert Floyd

"MY FINAL ROAR"

This has been a truly rewarding eventful year! We have come together as one all year long in service to others. Please know that I am extremely proud of all your efforts. We all use our God given talents in unison for the betterment of our fellow man.

Now is the time to be the forward looking Lion as we install new officers at the end of the month.

Your new slate of board members/officers are excited to get started and great things are about to happen! Let's get behind them, help them, and pray for them as they lead us to helping others.

What a wonderful year this has been, thank you so much!!

Blessings and final roar,

Boss Lion Robert

Helping Hands involves the community in fixing up homes of low to moderate income individuals or families.

Lion Jeane Taylor introduced Robert Brock of Hospice of San Angelo at our June 14 meeting. HOSA covers 15 counties and is the only certified pediatric hospice. Their goal is to make the final days of a person's life as comfortable as possible and to help the family cope with the loss. On individuals with no family, they help plan the final expenses, service, etc. A person must have a life ending disease or condition in which they are diagnosed with 18 months or less to live.
