Roars from Boss Lion Roy Landry

Looking back at the past year we wonder how time flies so quickly. We have had a pretty successful year. The Clay bird Shoot netted around \$15,000.00 and our recent Golf Tournament netted about \$6,500.00 for our charities projects.

We gave to the Girls Home and to the Family Shelter, plus we gave 100% to our Lions Charities. I would say this has been a very successful year in giving.

Our club did the Bus Stop Bench program which will be an ongoing project in the years ahead. Along with this project we got lots of advertising for our club and Lions in San Angelo.

Our club gave the Family Shelter a Christmas Party for the men, women, and children staying there. Santa Clause was there to bless these who had found themselves in in a needy situation. Not only were they blessed but we Lions that were there was probably blessed even more. Again that is what Lions do, we bless those in need.

Currently the Lions of San Angelo are gearing up for the Balloon Fest to be held June 9th, 10th and 11th. This will be a big undertaking for the Lions of San Angelo; there is a lot to do in preparation for the event. Knowing Lions this should be a great event for the people of the Concho Valley.

There is one thing left I would like to happen, that is to finish plus one in membership. This would give us the opportunity to file for The Club Excellence Award. We qualify in all other categories of the application.

I would like to thank the Board and Members of the club for making this past year a success. You deserve The Club Excellence Award for your hard work this year.

I wish the best for incoming President David Vessel and the new Board. I know they will work hard to make the Dynamic Downtown Lions even greater.

God's Speed and Blessings,
Boss Lion Roy
