### *Roars from Boss Lion Roy Landry*

#### Boss Lions Corner

I want to personally thank those who stepped up to help with the meetings during my absence for surgery. And I thank each one of you for your prayers on my behalf.

The bus stop bench project our club did for the city really made a difference, what a way to promote the club and help the community. Our committee in charge of this project did a fantastic job. Only one mishap, Lion Marshall got into some fire ants.

Upcoming events for our club include Pancake Breakfast this Saturday, Christmas at the Shelter in December, Gift Boxes in December and our Christmas Party December 15th.

# DOWNTOWN LIONS CENTENNIAL PROJECT

“As proposed by Lions International in celebration of 100 years of making a difference worldwide, the San Angelo *Dynamic* Downtown Lions Club has proudly taken the initiative of rebuilding dilapidated bus stop benches for the City of San Angelo. Our ‘Centennial Community Legacy Project’ will serve as a reminder of just how important Lions is to our community during the Centennial and beyond.”
